1. ABOUT THE MENTORSHIP PROGRAMMES:

The mentorship system was started in the college with an intention to building a healthy academic and personal relationship between the students and teachers. In this system Teachers are known as Mentor and Students are known as Mentee. It enforces more discipline, more involvement and good bond between the teachers and the students. It provides guidance to the students who embark their academic journey. It is a unique method of supporting students to improve their learning and leadership skills. It motivates the students towards their career development. Under this scheme, college students are divided into several groups and each group is headed by a faculty member.

Nature of Mentorship System Works:

The Principal appoints the faculty Convener at the beginning of the academic year. Faculty Convener allots the students to teachers and assigned the roles and responsibilities to all the mentors. Once mentors are allotted they will take care of the mentee up to the completion of their course. All the mentors conduct meeting with their mentee as per the schedule or as per the student's requirement and submit the report to the Faculty Convener.

Role of the Mentors:-

1. A mentor shall guide the mentees in all academic and co-curricular activities,
2. A mentor shall support mentees academically and emotionally,
3. A mentor shall establish a close rapport with the mentees,
4. A mentor shall identify talents of their mentees and encourage them to participate in the college extracurricular activities,

Duties of Mentors:-

1. A mentor shall convey meeting with the mentees at least twice in a semester,
2. A mentor shall maintain record of their mentees with reference to academics, non-academics ,attendance, discipline and over all development of the mentees,
3. A mentor shall monitor the academic progress of the mentees,
4. A mentor shall identify the slow learners and help them to improve in studies,
5. A mentor shall identify talents of their mentees and encourage them to participate in the college activities.
