RESPONSE

Integration is the motto of Vidyodaya Law College. Institution provides an inclusive environment for everyone with tolerance and harmony towards cultural, regional, linguistic, communal socio economic and other diversities. Different sports and cultural activities organized inside the college which promotes harmony towards each other.

The students in the college experience inclusiveness in the class room and feel a sense of belongingness regardless of differences in culture, region, language, social and economic backgrounds. To encourage and appreciate the diversity of Indian culture on campus, students from different caste and community are admitted.

Institute has code of ethics for students and a separate code of ethics for teachers and other employees which has to be followed by each one of them irrespective of their cultural, regional, linguistic, communal socioeconomic and other diversities.

There are different grievance redressal cells in the institute like Student grievance redressal cell, Women grievance redressal cell which deal with grievances without considering anyone's racial or cultural background.

Our college has students across from Karnataka and out of state as well (rural and urban). It has all religious students and faculty speaking multi languages. Hence institution has a multicultural harmonious atmosphere. Being a law institution the curriculum design has been planned according to constitutional aspiration. Subjects are thought in Kannada and English languages to make them understand and also take the examination either in English or in Kannada.

The regular hosting of sports events and cultural activities promote bonding, tolerance, harmony and co-existence amongst student community. The Annual Literary and Cultural Programmes encourage the youth to develop respectful attitude towards diversity, motivates participation, fosters values of collaboration and responsibility.
