THE NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL

Best Practice: 1

Title of the Practice: Nyayah Abhay Hast

A programme which may be called as may be called as Legal assistance to public is designed by Vidyodaya Law College to provide legal awareness and legal assistance which empowers the individuals regarding issues involving the Law, demand justice, accountability and effective by means of legal literacy programme, legal aid clinic, lok-adalath, door to door survey and para legal activities, remedies to the people to Tumakuru District along with training the students in serving the society along with legal education.

Access to justice is the ability of people to seek and obtain a remedy through formal or informal institutions of justice for grievances. There is no access to justice where citizens (especially marginalized groups) fear the system, see it as unfamiliar, and do not access it where the justice system is financially inaccessible, where individuals have no lawyers: where they do not have information of knowledge of rights or where there is a weak justice system. Access to justice involves legal protection, legal awareness, legal aid and counsel, adjudication and enforcement.

Legal awareness sometimes called Public legal education; it is the empowerment of individuals regarding issues involving the law. It helps to promote consciousness of legal culture; participation is the formation of laws and the rule of law. Legal awareness can empower people o demand justice, accountability and effective remedies at all levels. We all know that India is a country unfrequented with illiteracy, poverty and innocuousness of wide range of people; it is in a position of getting awareness to the people in every matters. Here in each and every people no matters of illiteracy, they should be aware of the basic law of the country. Awareness of legal aid system and also its schemes should be learned by them.

Legal awareness programs are taken up for empowerment of legal knowledge to all the citizens in general and to the weaker sections of the society in particular.

To strengthen this Best Practice, Vidyodaya Law college has signed MOU with District Legal Service Authority. And also adopted Yellerampuru Village and Signed MOU with Yellerampura Gram Panchayath.

CONTEXT

The Laymen in Rural India are Unfamiliar with the Statutory Provisions in the country. Legal assistance to enable the individual to know about law in the country which helps them to initiate to realize their rights, litigation free via free legal aid, arbitrations, conciliation, awareness service and also to avail the benefits of the Government welfare schemes and plants.

Also it is necessary to expose law students to the practical aspects of the legal field as study of law is a professional course. The programme like this aims at fulfilling this purpose and along side provides a platform to serve the poor and need by visiting rural areas to have a clear insight of the problem encountered by the people at grass-roots level, communicating to them personally, distribute pamphlets in local language regarding free legal aid, street play, story telling, etc to sensitize the people about their rights and motive them to take action.

PRACTICE

- **Legal Literacy Programs**

Indian community is generally illiterate in the matters of information about law. If we desire to create a just social order legal awareness is indispensable. Vidyodaya Law College has been conducting literacy programs in its neighborhood.

Legal Literacy programs are conducted with the help of social organizations, and the target group is villages, farmers, slum dwellers, women, school children, social workers, school teachers, laborers etc. The programs are generally need based and information about law which will be most relevant to a target group is given to them. Their queries are answered and they are requested to contact the Centre for advice/support if they need it.

Lectures, discussions, posters, literacy material, street-plays are used as methods of communication. Street-play is the most effective manner of communication. It is a living experience of law and is well appreciated by all. The camps consisted of student and teacher's presentations on relevant issues like Domestic Violence, Dowry Prohibition, Child Sexual Abuse, Free legal aid, Human trafficking and Prohibition of Child Marriage etc. The sessions are made interactive and reactive to needs of villagers. The experience is proved to be enriching for the students and the attending villagers.

- **Legal Aid Clinic**

The Legal Aid Centre runs its clinic at Vidyodaya Law College, Legal grievances of a wide variety like domestic violence, divorce, dowry
