Sub: Quotation for Easylib- Entire Automation System for Libraries

Dear Sir,

Thank you very much for your above enquiry for the supply of our **Easylib** - Entire Library Automation Software to your institution. We are giving below our most competitive price and hope the same will have your approval.

Easylib: As the name indicates, is a comprehensive Automation System for Libraries. It has been developed by IT professionals under the guidance of expert library science professionals. **Easylib** is a proven product with over 75 installations all over Karnataka. In fact today It is one of the most preferred library automation software due to its performance and high reliability.

BENEFITS :

- Data residing on a server central to your entire network
- Ability to perform extensive search (OPAC) from various terminals in your LAN
- Ability to perform various library related activities (Charging, discharging, acquisition etc) from the authorized personnel
- Built in Security and Logon mechanism for the software
- Ability to build and manage your own digital library
- Ability to connect to other digital information on the net through the software
- Bar coding and barcode compatibility of your entire library stock
- Your own library on the internet for search at home (optional)
- Multilingual data entry facility
