KeyIndicator-7.1 Institutional Values and Social Responsibilities

Metric No- 7.1.9 Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

Submitted to

THE NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL

Vidyodaya Law College TUMAKURU.

RESPONSE:

The Constitution empowers the citizen rights. It is the duty of student, especially Law student to know, protect, preserve, and respect our Indian Constitution. Institution encourages promoting the moral and constitutional values. As institution imparts the legal education it is the commitment of our self to sensitize in above mentioned principles respectively. The students, faculty and staff of the Institution are educated and alerted with regard to human values like compassion, cohesion, harmony, brotherhood and eternal love towards human beings at large. Importance has been given to create awareness among them the values of duty, discipline, dedication, honesty, truthfulness, integrity and other life style values.

In this idea Vidyodaya Law College has followed many activities to the students from decades. Most importantly singing national anthem every day morning during prayer, celebrate Independence Day, Republic Day by hosting National Flag speeches about the contribution of freedom fighters, The Preamble, Fundamental Rights and Fundamental Duties are displayed in the campus to infuse discipline and commitment towards the nation.

Human Rights, Constitution Day, Sadbhavana Diwas, National Legal Services Day, Legal service to the general public, Walkathon on Election, Human Traficking, follow traffic rules, child Labour, etc., are conducted regularly to create awareness about ill effects and motivate them to be law abiding citizens.

The legal aid camps are organized regularly in rural areas to assist the needy by providing free legal service. Regular visits are arranged to Prison, Courts, Lok Adalats and Mediation Centres to understand the role of the institutions in dispensing justice and observe procedure followed by them to ensure speedy trial, thus paving way for efficient clinical legal education. Participating in regular Jail Visits makes the aspiring lawyers to understand the impact of their actions and ramifications of their decisions. Our students are encouraged to participate in Model Parliament to understand parliamentary procedure and rules to be followed to maintain the decorum of the Electoral Awareness Campaign, Voter Registration Drive and Demonstration on usage of EVM are organized to motivate the students to get registered as voters and thereby exercise their right to vote. Judges Series and Law Lecture Series on Constitutional Law are arranged to refine the

knowledge of students on constitutional values and protection of human rights. Legal luminaries and judges with vast experience deliver lectures on topics of constitutional importance.

The Constitutional values also reflected through classroom lectures on certain subjects like, Constitutional Law, Human Rights, Environmental studies, Environmental Law, Women & Law, Political Science. In addition to this to encourage students and staff to conduct research and present papers on areas pertaining to the Constitution of India, the Institution organizes class room seminars on various socio-legal topics. All these activities show that the Institution is instrumental in inculcating among students and the employees, the Constitutional obligations, values, rights, duties and responsibilities of the citizen as reflected in the Constitution of India.
