Institutional Distinctiveness:

Title of the Distinctiveness of the Institute: Student Union Election

Leadership is not about the next election, it's about the next generation.

Simon Sinek

INTRODUCTION

"There is a need to encourage youngsters to develop positive leadership qualities. Vidyodaya Law College is conducting Student Union Election in a very positive and systematic manner on the basis of the guidelines by "Lyngdoh Committee" report dated 23rd May, 2006 as accepted by Hon'ble Supreme Court of India. We have a strong believe that if there are no elections in college, we will not get new, young leaders. Getting elected in colleges is not merely for entry into politics. There is a need for leaders in every profession especially in Legal Profession.

It is also opined that, participating in political activities from such a young age gives them a boost in this field, especially since numerous Indian politicians have risen from the cradle of student politics, the prominent ones of Vidyodaya Law College being, Former Law Minister of Karnataka T.B. Jayachandra, Ex Law Minister of Karnataka, Sri J.C.Madhu Swamy, present Law Minister of Karnataka and G.S. Basavaraju present M.P etc.

**Letter by Rajendra Rajanna, Member of Legislative Council,
Karnataka, expressing his opinion on Vidyodaya Law College
Elections.**

It is my pleasure to express my experience about my college life and students election, actually I learnt about politics in Law College only. As I start contesting in class representative election, then I contested for Presidency Post and Won also. It was my life time experience I would like to say. That election was the foundation to me is political field. Every corner of election was experienced by me in Law College only. Finally I would like to mention that what I am today in political field it is because of law college experience only.
